# Prepare your business for the new normal

Introducing our brand new range of products to help support and assist our customers in providing a safe working environment and combat Covid-19.

The scope of these items will promote increased health and safety measures for your staff and visitors via social distancing and information. The range includes signage, floor graphics, barriers, hazard tape, sanitiser stations and counter top sneeze guards.

Whether you operate an office environment, car dealership, motor factor, shop or public facility, this catalogue will get you set up quickly with customised branding available dependant on volumes.
