time to reflect

We're hoping for more Christmas cheer, this year - do you hear?

Well, the best thing we can say about 2021 is that it was slightly less weird than 2020.

Not saying much, we know, but Tennants always make an effort to accentuate the positive.

Despite the ongoing challenges faced by businesses worldwide, our own recent growth continued with another bumper year and record sales, so thanks to all of our customers and supply chain partners - see you next year!

In the meantime, check out the calendar below to see when we're open - and don't forget to place your orders in plenty of time for delivery before Christmas.
