AGILE &
MARKET DRIVEN

The agile Trade Colour can supply any numberplate a customer demands there & then, making it ideal for Motor Factors & Part Stores. Bundled software ensures compliance by enforcing British Standards, validating registrations & recording all activity.

Additional up-sell options and services include branded components, 3D & GEL digits, side flags, oversized, small & HEX plates and managerial oversight of plate production.

EFFICIENT
Colour LED printer that's easy to use & maintain with four toners and drums to replace.

COMPLIANT
Bundled software enforces BSAU 145e standards, validates registrations and records all activity.

OUTPUT
The Trade Colour produces approximately 1500 number plates per set of CMYK Toners.

UPSELLS
Increase profitability with Up-Sell options like side flags, oversized, small and hex plates or 3D & GEL digits.

Note: Requires a Windows PC, Internet connectivity and minimum operational conditions.

TRADE COLOUR
SYSTEM

A4 COLOUR PRINTER

Our Trade Colour utilises C650 Printers from OKI. This A4 Colour Printer makes any number plate size and prints onto single film sheets.

Makes: All number plate shapes & sizes
Printer: OKI C650 A4 LED Colour Printer
Includes: Printer, cables, feed-tray & toner
Consumables: CMYK toners & drums (1.5k plates)
Speed: Approx. 10 seconds per print

PLATES SOFTWARE

Trade systems include our plates software that combines a builder & records Log. Security and oversight are delivered by user accounts and Microsoft Windows services.

Design: BSAU 145e compliant plates builder
Records: RNPS-Log meets DVLA requirements
Security: User accounts & forced log-ons
Oversight: Windows active directory devices & print data
Branding: Supports corporate & individual templates

COMPLIANT COMPONENTS

The Trade Mono makes our film Enviro-Plates, using components we manufacture in-house. A roller jig is also provided to assist with assembly.

Specification: Reverse printed film above W/Y Enviroplate
Benefit: Film is more cost-effective than reflective
Coverage: All our number plate media sizes & shapes
Pre-Printed: Colour logos, lips, flags & borders
Restocking: Contracted or on-demand supply
